PROPERTY DESCRIPTION:

A stone house in the first row on an Island near Zadar is for sale. The house has been recently renovated to a good standard and is approx 80 m² plus the courtyard. The house has two bedrooms, two bathrooms, an open plan kitchen & living area and a fantastic large terrace on the first floor and a courtyard surrounded by a stone wall with an entrance door which takes you out by the sea side. It will be possible to get a mooring for a small boat near the property as well. This is a really great property and very hard to find and at a sensible price.
